2. TICKETS

Most important thing – DON'T FORGET YOUR TICKETS!

All tickets have a unique anti-fraud feature. Security guards will check every ticket and anyone caught with a fake ticket will be handed over to police. BE WARNED.

If you bought your tickets through MOSHTIX, bring your MOSHTIX card or the credit card that was used to purchase the tickets. This includes the early bird promotion through MYSPACE/MOSHTIX.

3. NO PASS OUTS

There will be NO PASS OUTS for anyone.

Make sure you bring enough cash/warm clothes/cigarettes to last the day. There will be EFTPOS ATMs near the bar, but as these mobile machines have a tendency to be somewhat unreliable, make sure you bring enough cash to get you through the day.

The Merchandise Tent will have EFTPOS facilities, but will not issue cash.

4. WHAT TO WEAR

We play rain, hail or shine, so make sure you dress appropriately – hat, sunscreen, something warm at night, a light raincoat if it looks like rain, etc, etc. You know the drill.

Glamorous gear looks sexy, thongs are awesome, but think carefully if you plan to hit the mosh-pit. Crushed toes and broken heels are no fun when you are walking home!

5. CASH

As mentioned earlier, there will be EFTPOS ATMs near the bar, but as these mobile machines have a tendency to be somewhat unreliable, make sure you bring enough cash to get you through the day.

The Merchandise Tent and Bars have EFTPOS facilities but will not issue cash.
